The screenshot displays the MALA HUB website interface. At the top left, the logo reads "澳門文獻港 MALA HUB". A horizontal navigation menu contains the following items: "NEW SEARCH", "PORTUGUESE PORTAL", "EBOOKS", "EJOURNALS", and "FETCH ITEM". On the right side of this menu, there are icons for QR code, a pushpin, and a "Sign in" button which is highlighted with a yellow border. A "Menu" link is also visible. Below the navigation menu is a teal search bar with the placeholder text "Search anything". To the right of the search bar is a dropdown menu labeled "All Resources" and a magnifying glass icon. Further right is a link for "ADVANCED SEARCH". Below the search bar, there are two dropdown menus: "All items" and "Anywhere in the record". The main content area is light gray and contains a white box with the text "Welcome to MALA HUB" and a paragraph: "It provides a simple, one stop search from the ten academic libraries in Macao for books, journals, multimedia, e-resources, articles, theses, dissertations, and more." Below this is another white box titled "Direct Links to Subject Portals" containing a list of links: "Macau Studies Resource Portal", "Open Access Resources Portal", "Portuguese Portal", "Scholar Publications Portal", and "Theses and Dissertation Portal".

4. Start searching

Use filters such as “Availability > Physical items” to limit down search results

The screenshot displays the MALA HUB search interface. At the top, the logo "澳門文獻港 MALA HUB" is visible on the left, and navigation links "NEW SEARCH", "PORTUGUESE PORTAL", "EBOOKS", "EJOURNALS", and "FETCH ITEM" are in the center. On the right, there are icons for "Email" and "Home".

The search bar contains the text "data science" and a search icon. Below the search bar, there are dropdown menus for "All items" and "Anywhere in the record", and a "Search" button. The results section shows "0 selected", "PAGE 1", and "1-10 of 60,586,932 Results". There are also options for "Save query" and "Personalize".

The "Tweak my results" section includes a toggle for "Expand My Results" and a "Sort by" dropdown set to "Relevance". The "Availability" section is expanded, showing a list of filters:

- Physical Items (5,826)
- Available online (60,578,707)
- Peer-reviewed Journals (11,987,141)
- Open Access

The "Resource Type" section is also expanded, showing a list of filters:

- Datasets (18,611,533)
- Articles (18,523,307)
- Patents (17,732,105)
- Magazine Articles (2,732,150)
- Dissertations (1,068,220)

At the bottom of the filters section, there are "CLEAR" and "APPLY FILTERS" buttons. The search results list shows three entries, each for a "JOURNAL Data science" by "IOS Press, publisher." from "Amsterdam : IOS Press , 2017-". Each entry includes an "OPEN ACCESS" icon and a "Check holdings" link. The first entry also has a "Check holdings" link.

5. To request items for interlibrary loan, fill in your UTM email and contact number Press “Confirm and Submit”, after which you should see a success message

The screenshot shows the MALA HUB interface for the book "Data Science for Business" by Provost, Foster 1964- author.; Fawcett, Tom, author. Sebastopol : O'Reilly, 2013. The interface includes a sidebar with filters (Physical Items, Remember all filters, Reset filters, Tweak my results, Sort by Relevance, Availability, Resource Type) and a main content area with options like TOP, SEND TO, GET IT, DETAILS, LINKS, and MORE. The "OTHER INSTITUTIONS" section displays a table of holdings:
